MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Inspector General's Survey of the  
Office of SecurityREFERENCES : Memorandum from Deputy Director for Support,  
same subject, dated 1 September 1967  
Memorandum from Assistant Deputy Director  
for Plans, same subject, dated 11 September 1967

1. The Deputy Director for Support has concurred in Recommendations 1, 2, 3, 9 and 10 of the Inspector General's Survey of the Office of Security. Although Recommendation No. 4 has not been concurred in, the reasons therefor together with the comment that effective procedures have been adopted to reduce the clerical work load is a satisfactory and acceptable response. Recommendations 5 and 6 have been treated together with the comment "For the past three months efforts have been under way in Personnel Security Division to re-structure the field of 'AIO,' 'Ad Hoc' and 'Pre-contract' clearances. The study is continuing, taking into consideration the comments made by the Inspector General." I consider this response as satisfactory, but we shall look forward with interest to the conclusions of the study, which is expected to be completed by 1 November 1967. This study, together with a study being made in response to Recommendation No. 3 also to be completed by 1 November 1967, will be furnished this office. Recommendation No. 8 has been concurred in with the qualification that it will be carried out with consideration of other priorities. Availability of personnel is the limiting factor. I consider this response satisfactory.
